Note on the system of licensing the rearing of goats

Ramaq 4 Aug 9

27 With a view to improve local finances the L S G Conference held in April 1923 recommended the levy of tax on goats and pigs The taxation of pigs was given up by Government, The question of the levy of tax on goats and sheep was considered at the Dasara session of the Representative Assembly of 1924 and as the majority of the members was not in favour of the additional taxation the question was put to vote and lost

28 The question of ~~improving~~ imposing certain restrictions on goat rearing was brought up again for consideration at the Dasara Session of Representative Assembly of 1926 After long discussion the Dewan-President promised to see what could be done in the matter Thereupon the opinions of the Conservator of Forests and the Revenue Commissioner were called for

H

29 The Conservator proposed the increase of pound fee to Re 1/- per head of goat and damage to avenue trees to be severely dealt with by penalising communal rights, if any, besides prosecution

F

The Revenue Commissioner proposed (1) issue of licenses for goat rearing and (2) doubling the pound fee on goats from one anna to 2 annas, half the amount being given as compensation to the persons on whose lands the goats were allowed to

to trespass

30 Re 1st proposal- the R A Members were - against the imposition of any restrictions against goat rearing as stated above In connection with the last amendment of the Municipal Regulation - provision was made in Section 137 A for taking out licenses for rearing or keeping goats in Municipal areas by a person when they ~~exceeded~~ 20 in number But ~~in~~ the Select Committee amended it so as to ~~be~~ make it applicable only to City Municipal areas - wherein licenses were required to be taken for - keeping more than 10 goats This has been passed as law

D

31 As regards doubling the pound fee of goats to ~~Rs~~ 2 annas Under Section 12 of ~~City Improvement Act~~ Cattle Trespass Act the fee leviable on a goat impounded is only 1 anna and under proviso to that Section, Government may order the imposition or levy of double the fee in any area when there is an application to this effect from a local body on account of - habitual trespass of such animals and damage to crops The general levy of double the fee cannot therefore be ordered unless the ~~City Improvement~~ Cattle Trespass Act is amended

32 There is no provision either in the District Boards' Regulation or in the Village Panchayet - Regulation requiring license to be taken for goat rearing

Restrictions to be imposed on Goat-rearing

Sir,

With reference to your letter No D 3268-9/Ft 210-26- dated 13th November 1926 requesting me to furnish my opinion on Subject No 36 of Representative Assembly Proceedings of October 1926 in the matter of restrictions to be imposed on Goat-rearing, I have the honour to state that the breeding of goats is both a lucrative and a desirable industry as a large business in goatskins is done in the State and it proves a useful subsidiary occupation As goats are very destructive it is very necessary that proper safe-guard should be provided to prevent goats from straying and destroying trees etc, belonging to other people The avenue trees are also a common means of supplying leaves to goats The system of licensing is necessary for, as a rule, goats are not reared by any single individual in large numbers I am of opinion that a pound fee of 2 annas may be levied for each goat and half this amount may be given as compensation to the persons on whose lands the goats have been allowed to trespass Where leaves from avenue trees are cut or goats allowed to browse on avenue trees instructions should be given to impose a deterrent punishment
